Competition format

- For the International Youth Fencing Cup Epee, official competition formats will be used.
- In planning the format will be one or two poule rounds followed by direct elimination.
- Specific guidelines for the team competition:
  - The teams must be composed of 3 or 4 fencers male and/or female (3 fencers + 1 reserve) licensed at the same fencing club.
  - Maximum number is 12 teams.
  - Minimum number is 3 teams. If this number is not reached, the team competition will not take place.
- The technical direction (DT) reserves the right, without right of appeal, to modify those formulas according to the number of entries and conditions of the day.

[1] Counts for the Belgian National ranking U17.

Referees

- For the individual competition
  - Each club is required to provide a referee for every 4 fencers (for the whole of the individual competitions of that day).
  - As of 9 fencers two referees are required, as of 13 fencers three referees are required.
- For the team competition,
  - Each club is required to provide a referee for the first and the second registered team
  - From a third team registered, a second referee is required.
- The referees should be licensed and qualified by their federation or by the FIE.
- The names and qualifications of the referees are to be communicated before closure of the inscription (12/02/2018 at 23:59). Non-compliance to this rule will cancel the inscriptions of the fencers.
- The referee's presence is mandatory between the first call of the competition in which the club has participants until the end of the last competition of the match day. Non-compliance to this rule will lead to a fine of € 125 for each absent referee. This fine will be transmitted to the club in default.
- **Foreign** clubs can, against payment of the sum of € 100 and as long as the club has available, request a referee from the organizing club. This must be done by sending a separate e-mail to the organizing club: schermclublatemdeurle@telenet.be
