Prize money

- Cash and in-kind prizes are provided

Competition format

- Official competition formats will be used.
- In planning the format will be one or two pool round(s) followed by an elimination.
- The Technical Direction (DT) reserves the right, without right of appeal, to modify those formulas according to the number of entries and conditions the day.

Referees

- For de 7th International Youth Fencing Cup Epee
 - Each club is required to provide a referee from 4 registered fencers (for the whole of the individual competitions of the day). As of 9 fencers two referees are required, as of 13 fencers three referees are required.
 - The referees should be licensed and qualified by their federation or by the FIE.
 - The names and qualifications of the referees are to be communicated before closure of the inscription (28/02/2024 at 23:59). Non-compliance to this rule will cancel the inscriptions of the fencers.
 - The referee's presence is mandatory between the first call of the competition in which the club has participants until the end of the last competition in which the club has participants or until they are dismissed by the Technical Direction (DT).
 - Foreign clubs can, upon payment of the sum of € 180 and as long as the club has one available, request a referee from the organizing club. This must be done by sending a separate e-mail to the organizing club: schermclublatemdeurle@telenet.be
- For the 1st Latem-Open no referees are required, a system of auto-arbitration will apply.
